Elders Corner

What's happening in February? It is the middle of winter, the shortest month of the year. Most people would probably say Valentine's Day, just another manufactured holiday for me. A time of great joy for others. In the church year the Epiphany season continues. The season between Christmas and Lent. Epiphany is the biblical event commemorating the revealing of Jesus as the Christ to the Gentiles. In February we also celebrate President's Day, and Abraham Lincoln and George Washington's birthdays. I would like

to reflect on the connection between the Bible and these two presidents. Abe Lincoln said, "In regard for this great book, I have this to say, it is the best gift God has" given to man. George Washington wrote, "It is impossible to rightly govern the world without God and the Bible." American history is vividly clear that a faith in God and a reverence for the bible provided the basis for the founding of our nation. Throughout the bible, when ancient Israel had a king who respected and loved God and held the word of God in high esteem, the nation prospered. When they had a bad king, life within the nation was full of misery. What values do todays leaders embrace? Is our nation prospering or are we miserable? Pray for our country and pray for our leaders. Pray that they will consult God and the Bible when making decisions for us all,

And Still, The Mission Continues

The first week of the Spring semester is called Winterim where students take a class taught by the faculty on a subject of interest. Some of these classes have continued for many years, and some have transformed into new classes based on current events or competencies. However, we know something stays the same every year - our mission.

Students explore teaching, practice leadership, and learn about activism through speakers and activities. If you attend an event here, a game, or a tournament you'll hear, see, and experience similar things because our mission continues.

Today, many of us have concerns about what happens in schools, in our community, and everywhere else. We see the challenges our leaders face and we are concerned - but what can we do? Think about the missions you support. Can you give money or volunteer? Can you pray for them or share their message? It makes a difference.

For more than a decade, Neat Repeats Thrift Shop in Plymouth has been supporting the Lutheran High mission. This year because of volunteers, patrons and your support Neat Repeats Thrift Shop gave more than \$150,000 to Lutheran High helping to keep costs down for the school to be affordable to everyone. Maybe you'd like to help make the school affordable for someone you know. Consider locking in the tuition rate for your children or grandchildren by paying early. You can even volunteer at the school and at Neat Repeats.

We are blessed to have a capable faculty and staff who believe in the value of our mission. We are blessed to have a student body who is experiencing what Christian education is like. We are blessed to have you who prays for us, supports us, and helps us ***Prepare Christian Leaders - One Student at a Time.***
